

Stamp Out Hunger Annual Letter Carriers' Food Drive Saturday, May 11

Please leave a bag of nonperishable food at your mailbox on Saturday, May 11!

All food collected at mailboxes will stay in our community and help replenish ICA's shelves for the summer months. Want to donate funds instead of food? Scan the QR code!

Get Involved! Help Out!

The need for food donations has never been greater. Rising inflation is bringing a record number of families to ICA as they look for a helping hand. That means when you donate food to ICA as part of the Letter Carriers' Food Drive, you're helping families *right in your community!*
