

Annual Report

FY 2020

October 1, 2019 - September 30, 2020

Together we are working to
Stop Immediate Crises
Build Stability
Promote Long-Term Well-Being

A Year Unlike Any Other

FROM THE EXECUTIVE DIRECTOR

Never before have food and housing been more front and center than this past year. The images that the media has brought into our homes present the stark and intimate reality connecting all of us to what so many are facing in our communities today. The margin between enough to eat and a place to live knocks on the doorstep of so many, and ICA has stood resolute and able to respond.

The good news is that communities and organizations are engaging outside normal channels to meet the needs of families, where they live and/or work. We have been witness to a phenomenal shift creating a new normal as we have re-defined our routine, pivoting operations, sometimes daily, throughout this pandemic. We have boldly leaned into challenges to offer solutions and understand how we can serve our communities better as we redefine what 'access' means. As we continue to redefine what our new normal will be, we will be diligent as we create, pivot and implement a hybrid of systems that provide services on behalf of the key stakeholders we serve.

There is a new year ahead of us, and the need for rent, utilities and food resources will continue as our neighbors struggle, and recover, from unemployment and illness. This past year we have lived our lives isolated, distanced, quarantined, and walking in smaller circles to protect each other as a safeguard to ensure the health and well-being of each other. In ICA's applications of service to our community, we are reflecting on how this pandemic has distanced ourselves from the voices and relationships to our stakeholders. While we have successfully relied on technology, surveys, and phone calls, we still yearn for the face-to-face to bring the human connectedness back, to be personally involved as partners that ultimately solve hunger and the threat of homelessness.

Let's continue to take bold steps with a bold response.

With gratitude,

A handwritten signature in blue ink, appearing to read 'Dan Narr'.

Dan Narr, Executive Director

“It has been a long, tough road trying to get hired with everything that has been going on. I was getting closer to being financially ruined, possibly homeless, and I was scared out of my mind. Thank you for all of your help!”

"I don't know what we would do. We have to take care of my grandson who is now of school and we need food for him, too."

ICA Programs

FOOD SHELF & FOOD PROGRAMS

ICA provides nutritious, well-balanced food to our neighbors facing food insecurity. ICA's Food Shelf is a choice model food shelf allowing neighbors to select the foods that they and their family eat and know how to cook. We offer a wide selection of fresh produce, dairy, protein, and other perishable foods, as well as non-perishable vegetables, protein, grains, and more.

TURKEY & HOLIDAY MEAL PROGRAM

Every November, ICA distributes turkeys and all the fixings to more than 750 neighbors in need for their Thanksgiving or holiday meal. The program includes turkey, fresh vegetables, canned goods, and more -- everything needed to create a holiday meal.

SCHOOL PROGRAMS: WEEKEND PACKS & SNACK BINS

ICA works with 17 schools within the Minnetonka and Hopkins School Districts to provide weekend food and snacks to students in need. Weekend food packs provide additional food to students on the weekend and during breaks when school breakfast and lunches are not available. Snack bins are filled with healthy, grab-and-go snacks for students experiencing food insecurity. These items replace a missing breakfast or mid-day snack as needed.

KIDS' SUMMER MARKET

*Helping Retirees Like JoAnn and Harry**

Since retiring, JoAnn and Harry* have been on a fixed income and rely on ICA to fill in the gaps as their income doesn't provide enough to cover their bills and provide food.

"I am disabled and my 73-year-old husband is retired. We have a very hard time making ends meet as we have no income besides our social security monies "

Before COVID, JoAnn and Harry sometimes received food from friends or other family members, but since COVID began, they haven't been able to see their loved ones, so they have been visiting ICA more often. Without ICA, JoAnn isn't sure how they would have been able to eat these last several months.

"I don't know what we would do without the food shelf. The staff is always so friendly and helpful, I truly appreciate their help and exceptional customer service."

HOUSING STABILITY & HOMELESSNESS PREVENTION

ICA provides financial assistance on a case-by-case basis for rent and utilities as well as referrals to other area service agencies. This program is aimed at helping people stay in their homes, thereby increasing stability and preventing homelessness. We also provide bus passes and other transportation help to ensure clients have transportation to and from work and medical appointments.

*Stable Housing for Families Like Andrew & Joan's**

Andrew and Joan* live in Minnetonka with their two children. Joan has a full-time job, but it doesn't offer sick pay. When she tested positive for COVID this fall, she and Andrew had to self-quarantine and missed weeks of work. Unfortunately, neither were eligible to apply for unemployment.

Missing so many weeks of work meant that Andrew and Joan didn't have enough to cover their rent in October and pay all their bills, so they turned to ICA. We helped Andrew and Joan with their rent, which meant they could stay in their home. They also visited the food shelf where they received healthy, nutritious food, including fresh produce, soup, and meat. The healthy foods helped Joan recover while she was sick, and kept their growing kids fed. Fortunately, no one else in their family got COVID.

Joan and Andrew are now back at work and both kids are back in school! Visiting ICA made a very stressful time in their lives much less stressful. Stable housing is vital for stable families.
